

## **New School Notification System**

Dear Lancaster County Academy (LCA) Families,

We're excited to announce that we've subscribed to a new school notification system! The new service, called One Call Now, will allow us to deliver information and provide timely alerts to our parents/guardians via phone call, text message, and/or email.

One Call Now will enhance our current communication and make sure *everyone* is kept in the loop in a timely and effective way. LCA will use this service only to send information that is timely and relevant. More information about One Call Now can be found at <http://www.onecallnow.com>.

Please make sure we have your wireless number(s) in our student information database. Contact us at 717-295-2499 to have it added or updated.

Please note that this is a free service for our parents, students and staff; however, depending on your wireless plan, message and data rates may apply. Check with your wireless carrier for more information.
