SCHOOL OPERATION HIGHLIGHTS FROM LANCASTER COUNTY ACADEMY

April 9, 2020

We sincerely hope this correspondence finds you in good health. The purpose of this communication is to highlight previously shared information. All letters are posted on Lancaster County Academy's (LCA) website.

Continuing Coursework
Students should continue to work on the assignments they identified before the closure as well as continued learning opportunities on the Academy's School Operation Info webpage. Please reach out to the appropriate subject teacher with any questions.

Office 365
We encourage all students to regularly check their school e-mail account for any information from LCA staff. Office 365 tutorials are provided on the Academy's School Operation Info webpage. Here is the latest video: April 3, 2020 Info.

Technology Access
Select participating school districts are facilitating device access to families in need of hardware to continue learning. Please refer to your sending school's update center to see if this option is available.

Mobile-Friendly Elective Course
Our Success for Teens elective course is available and designed to help students learn time management, goal-setting, self-motivation, and good habits. Students with or without access to a mobile device and the Internet can participate in this elective course. Interested students who require printed course materials should contact the Program Director.

Updates
We will continue to share updates with you through our phone notification system, e-mail, the School Operation Info webpage, and Facebook. Students are also invited to join the LCA Remind group. We encourage you to stay tuned for regular updates.
